You have 0 out of 7 membership spots available.

Once you remove a person from your Corporate Member List, that person will then be automatically moved into the Non-member's category with LaNIGP. You would then have the ability to add one more member to the list. In order to add the member to your list, they must be a non-member first. If it is a brand new member, have them click join and join as a guest.

You can see all member's meeting registrations on the Meeting Registration Tab. These will be paid registrations. If you need to switch the ticket from one member to another member, you can do so here.

****NOTE:** This is only registration tickets that have been paid. Your members; or you will go into the meetings area to register for those tickets and pay at that moment**
